Davy Laboratories

Paul A. Harris, Laboratory Director

The laboratory analyses reported above were determined in accordance with methods from approved authoritative sources. Approved authoritative sources are defined and listed within the respective state certification codes. The results are representative of the samples only; conditions can be expected to vary at different times and under different sampling conditions. This report may not be reproduced, except in full, without the written approval of the laboratory. WI Certification Nos. 632021390 and 105000216, MN Certification No. 055-999-151, IA Certification No. 304
